

Mentoring Prompts

Student Issues & Concerns

- Do you have any specific concerns you would like to address today?
- I would like to make sure we spend time today discussing issues that are important to you. Is there something you would like to make sure we discuss today?

Academics & Performance

- Are you staying on track with your studies/clerkships and how are your grades/scores?
- Have any of your instructors or preceptors expressed concerns about your performance?

Career Planning

- What are your thoughts about your future career and what steps are you currently taking to explore opportunities in your areas of interest?
- What questions do you have regarding the field of medicine you would like to pursue?

Personal & Social

- What things, outside of school, are you looking forward to this semester?
- How has school impacted your relationships with your family and friends?

Personal & Professional Balance

- Tell me about the balance between the personal and professional aspects of your life.
- What are you doing to maintain your sense of self while in medical school?

Research

- What needs do you have, if any, regarding participation in research as a student?
- Have you thought about the role of research in your medical career?

Electives & Extracurricular

- What would you like to know about elective and extracurricular opportunities at this stage of your training?
- How are your elective and extracurricular activities meeting your goals?

Health & Medical Concerns

- Do you have access to a health care provider that meets your current health care needs?
- Are you aware of the health resources available to you as a medical student?
